Register of EU-SOLARIS partners' attendance and participation at events

Before the event	
Name of event	3 ^o Simpósio IPES: A concentração solar e o futuro (3 rd IPES symposium – Concentrating Solar and the future)
Date	1-2 February 2016
Location	Évora (Portugal)
Event organizer	Universidade de Évora
Event website	http://www.3simposio-ipes.uevora.pt/
Description of the event (objective, target audience, , etc.)	<p>This two days symposium intended to gather the most relevant Portuguese stakeholders in the field of solar energy from industry and scientific community to managers and decision making authorities with the objective of presenting some of the most relevant projects in CSP currently being developed in Portugal and Europe and promoting a debate regarding the future of CST in Portugal.</p> <p>The EU-SOLARIS info-day was performed in parallel with the symposium.</p>
(Draft) Agenda (external link, or in annex to be uploaded to Box)	http://www.3simposio-ipes.uevora.pt/index.php?/event_en/Program

<p>EU-SOLARIS partner(s) attending the event: name, entity, role (speaker, participant), etc.</p>	<p>João Farinha Mendes (LNEG) – Speaker</p> <p>Teresa Marcelo (LNEG) – EU-SOLARIS Info-day corner</p> <p>Maria João Carvalho (LNEG) - EU-SOLARIS Info-day corner</p> <p>Pedro Azevedo (LNEG) - EU-SOLARIS Info-day corner</p>
<p>Communication / dissemination material needed (type of material and estimated quantities).</p>	<p>Project leaflets, poster, roll-up, EU-SOLARIS agendas and bags</p>
<p>After the event</p>	
<p>-Brief description of activities, conclusions, next steps, recommendations, etc.</p>	<p>EU-SOLARIS project was presented to the symposium audience through a dedicated presentation “EU-SOLARIS: European R&D Infrastructure Network” by João Farinha Mendes.</p> <p>Taking advantage of the gathering of relevant stakeholders the Portuguese EU-SOLARIS info-day was organized in parallel with the symposium, with a EU-SOLARIS information desk established at the entrance of the auditorium next to the registration desk. At this desk people were able to access information about the project by reading the project poster, taking project leaflets and asking questions to the EU-SOLARIS participants (LNEG researchers) at the desk.</p>
<p>Estimated number of participants, if possible.</p>	<p>Approximately 100 persons</p>
<p>List of annexes</p> <p>E.g.: agenda, participants list, power point presentations, conclusion, pictures, etc. to be uploaded to Box here (EU-SOLARIS PROJECT\Official Documentation\Other\Events.)</p>	<p>The presentation delivered by João Farinha Mendes was uploaded to Box.</p> <p>A simplified English agenda can be accessed at http://www.3simposio-ipes.uevora.pt/index.php?/event_en/Program. The full agenda (in Portuguese) was uploaded to Box.</p>
