Date	29-30 May 2014
Location	Thessaloniki Concert Hall, Thessaloniki, Greece
Event organizer	Co-organised by GSRT, CERTH, hcmr
Event website	rines.gr/
Description of the event (objective, target audience, , etc.)	<p>The overall objective of the RInES Conference is to highlight the important role of the International Cooperation / INCO for the EU by reinforcing the collaboration with the European Neighbourhood / ENP and Black Sea region countries within the framework of the research and innovation, exploiting its potential as an integral part of a comprehensive package of external action. The ENP and Black Sea region countries involved are Morocco, Algeria, Tunisia, Libya, Egypt, Palestine Authority, Lebanon, Jordan, Syria, Armenia, Azerbaijan, Georgia, Russia, Belarus, Republic of Moldova, Ukraine, and the associated countries: Israel and Turkey.</p> <p>It has to be emphasized that this is the first time that the European Neighbourhood and the Black Sea region countries will work together with the EU, towards a common approach on research and innovation issues on two sectors of high importance for the Societal challenges of the HORIZON 2020:</p> <ul style="list-style-type: none"> •Sustainable Energy & Clean Technologies Applications,

	<p>towards a Low/Zero Carbon Energy Future for the regions</p> <ul style="list-style-type: none"> •Marine Research and the Maritime Strategy in Neighbourhood countries and the Black Sea region within the frame of sustainable management of ecosystems, marine bio-geo resources, fisheries and blue growth potential <p>The conference addresses the following target groups:</p> <ul style="list-style-type: none"> •Enterprises & Companies •Research & Academic bodies •Business associations •Funding and Investment schemes •Regional & Local authorities •General public
